

## DORAN R. PACE

REGISTERED PATENT ATTORNEY  
PARTNER

B.S. Biology  
University of Florida

M.B.A. University of Florida  
College of Business Administration

J.D. University of Florida College of Law

Graduate course work in cellular and molecular biology, University of California at Los Angeles and University of Washington

### AREAS OF PRACTICE

- U.S. and International Patent Preparation and Prosecution
- Patentability and Validity Opinions
- Infringement and Freedom-to-Operate Opinions
- License and Option Agreements

### TECHNOLOGY AREAS

- Biotechnology
- Pharmaceuticals
- Cellular and Molecular Biology
- Immunology
- Vaccines
- Monoclonal Antibody Technology
- Plant Biology
- Chemical
- Mechanical

### PUBLISHED WORK

- "Characterization of monoclonal antibodies recognizing bovine bone osteoglycin," *Connective Tissue Research* 30, No. 1 (1993): 11-21.
- "Monoclonal antibodies recognizing transforming growth factor-beta. Bioactivity, neutralization and transforming growth factor beta 2 affinity purification," *Journal of Immunology* 142, No. 5 (1989): 1536-41.

### PUBLISHED WORK CONTINUED

- Induction of interleukin 2 from a murine B cell tumor by a factor found in immune system," *Journal of Immunology* 134, No. 4 (1985): 2419-25.
- Co-inventor of U.S. Patent Nos. 5,571,714; 5,772,998; 5,783,185; 6,090,383; 6,419,928.

### PROFESSIONAL MEMBERSHIPS & ACTIVITIES

- Licensed to practice in Florida
- Registered to practice before U.S. Patent and Trademark Office (USPTO)
- Admitted to practice before the U.S. Court of Appeals for the Federal Circuit
- The Florida Bar
- American Bar Association, *Intellectual Property Law section; Science and Technology section*
- American Intellectual Property Law Association (AIPLA)
- American Chemical Society (ACS)

### PRIOR PROFESSIONAL EXPERIENCE

- Extensive industrial experience as a research scientist at Becton Dickinson Immunocytometry Systems, Collagen Corporation, and Celtrix Pharmaceuticals Corporation
